Sacramento Theatre Company's Internship Program

Position: Intern for the 2018-2019 Season - main focus in Stage Management
Reports to: Intern Coordinator

Position Overview:
Main areas of focus will be in Stage Management, as well as 1-2 other departments that will be determined based on your resume, your interests, and your interview with our Executive Producing Director and School of the Arts Director.
During this internship you will have the opportunity to work in a variety of our departments, from working with our scene and costume shop, serving as crew members for both our educational and professional productions, helping the office administration staff, a chance to audition for a role or understudy in our season (EMC points possible), etc.
This program will begin in Fall, 2018 and run through May 26th, 2019. During this time STC may be able to provide furnished housing for this internship. All interns will receive a $25 per diem for each day you are scheduled, to help offset any additional living expenses (usually 6 days per week for a total of $150/wk). Please know that this program is a full time internship.

Requirements:
- Minimum B.A. college degree
- Ability to lift up to 50 lbs
