

STC at Junior Theater Festival West 2024

Produced by the Junior Theater Group and iTheatrics, the Junior Theater Festival (JTF) brings students, teachers and Broadway professionals together to celebrate outstanding student musical theater productions.

The New York Times describes JTF as “a rousing celebration of theatre” and students, teachers and parents totally agree.

The event features workshops, video auditions, tech olympics, adjudications, awards and a New Works Showcase featuring new Broadway Jr. shows, plus one-of-a-kind performances and presentations by leading theater makers from around the globe.
